# REPORTING SYSTEM

KEY FEATURES & BENEFITS

[www.inspectortoolbelt.com](http://www.inspectortoolbelt.com)

# KEY FEATURES & BENEFITS

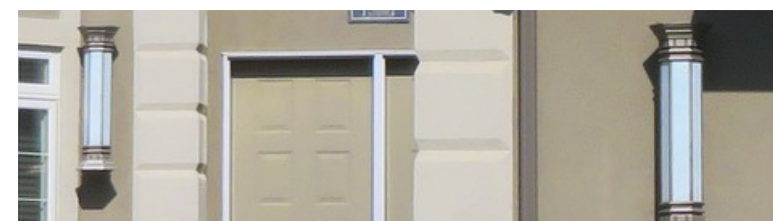

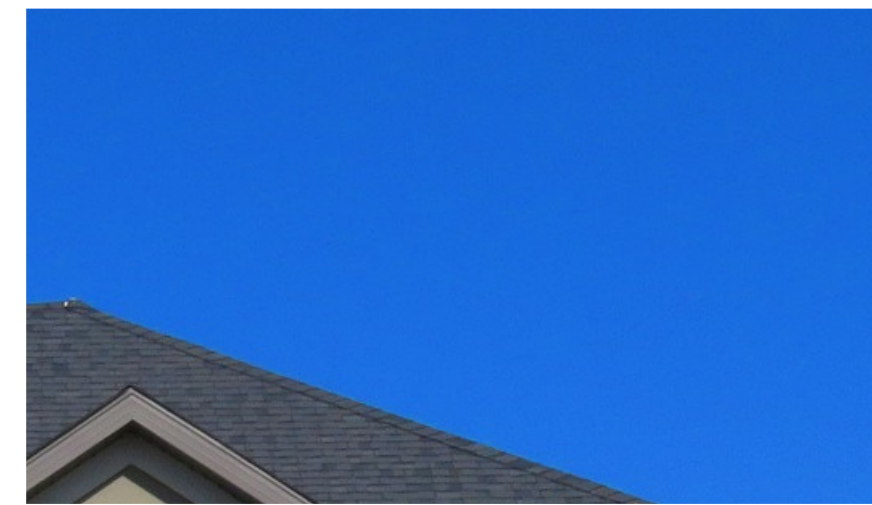

**Easy to locate summary**

**Photos with annotation**

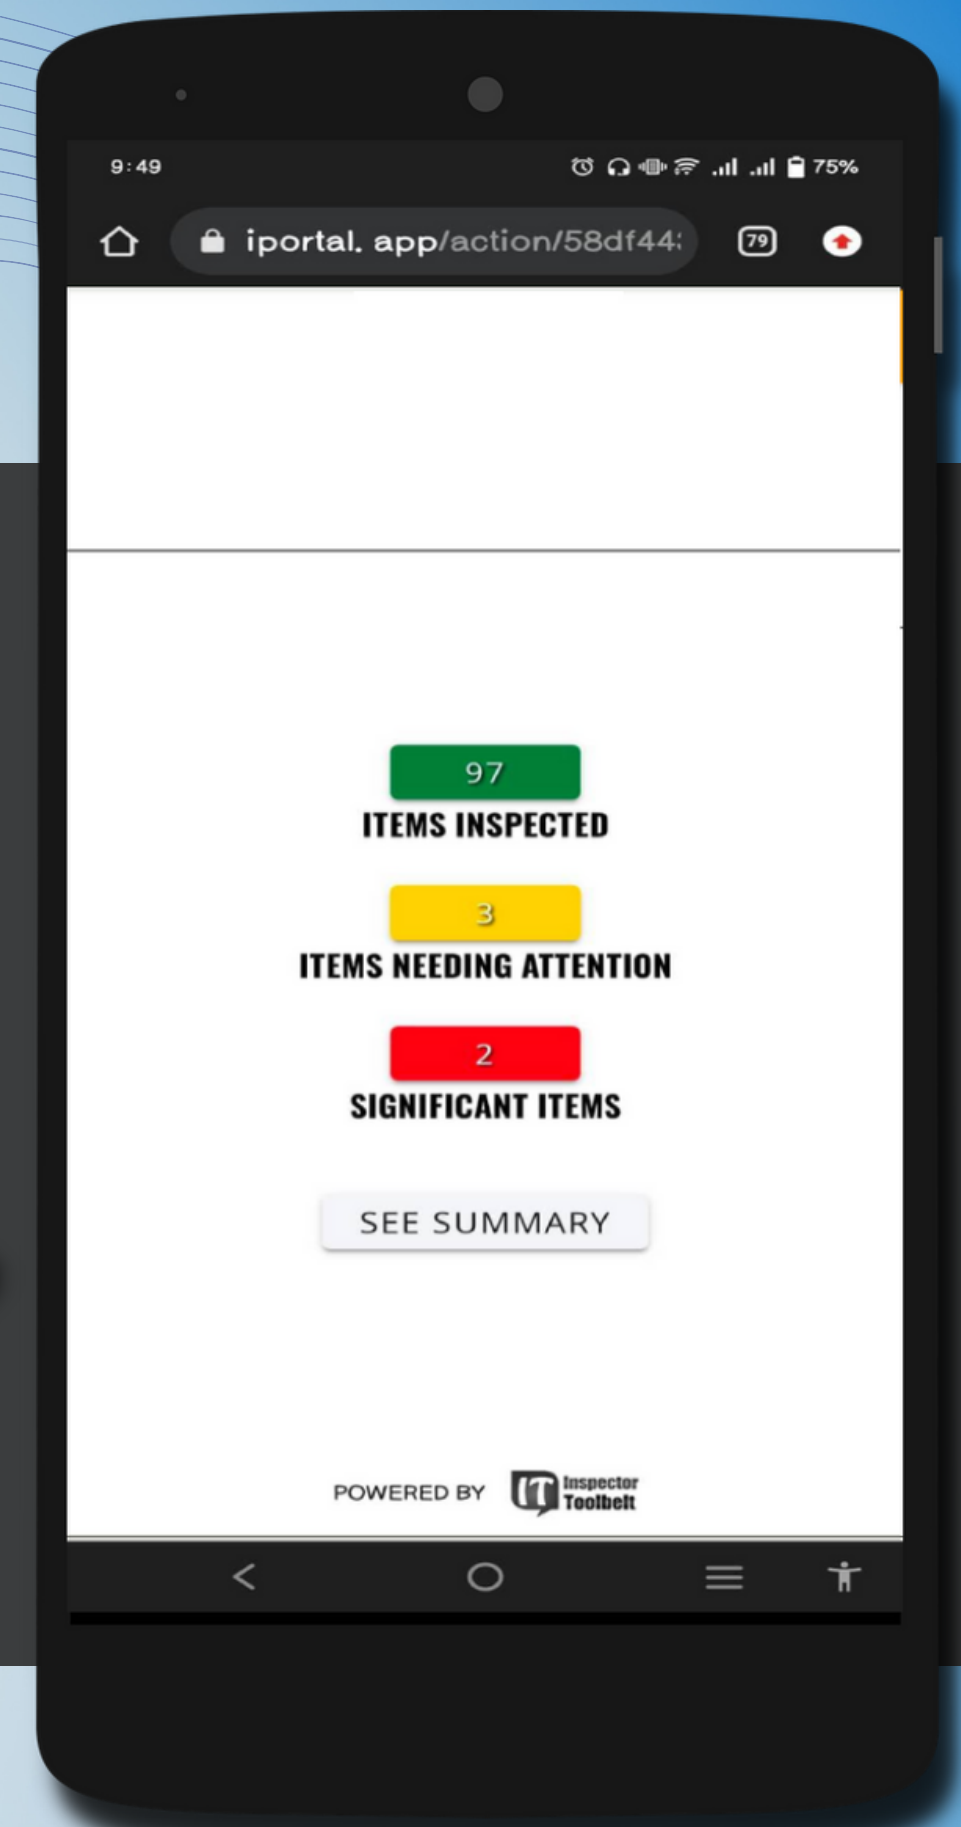

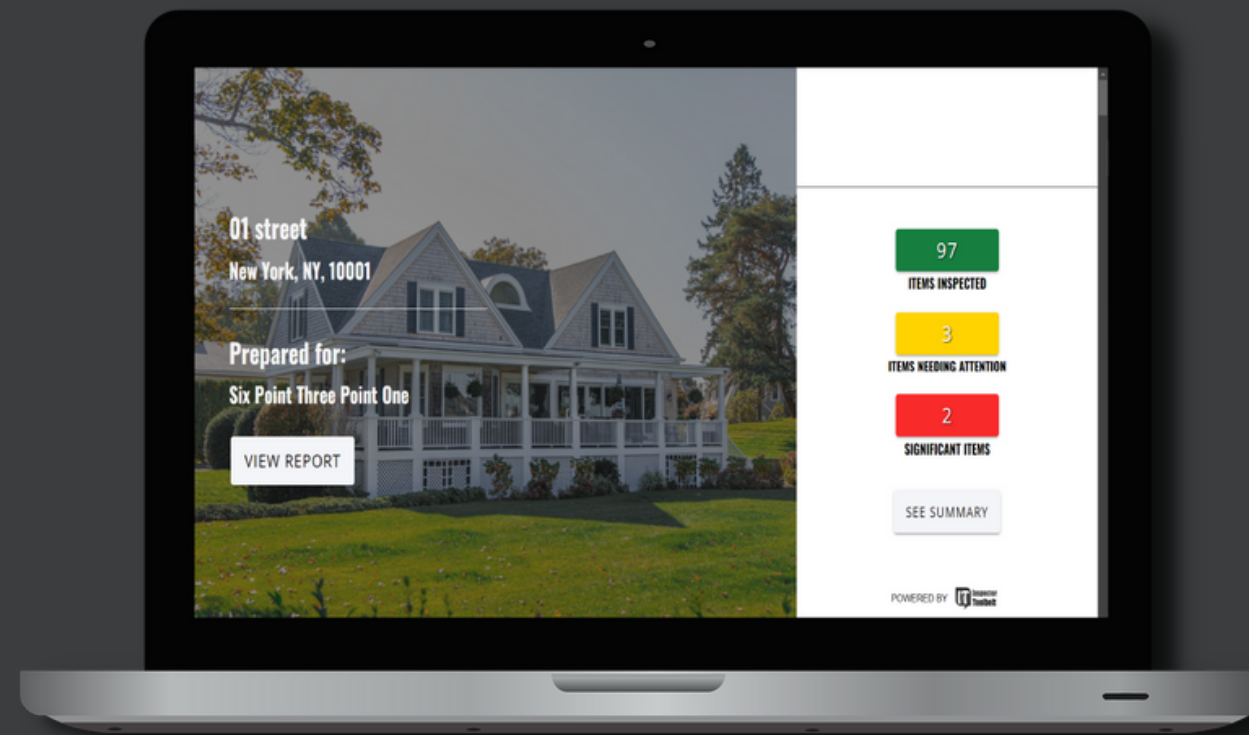

**Convenient online scheduling**

# EASY TO LOCATE SUMMARY

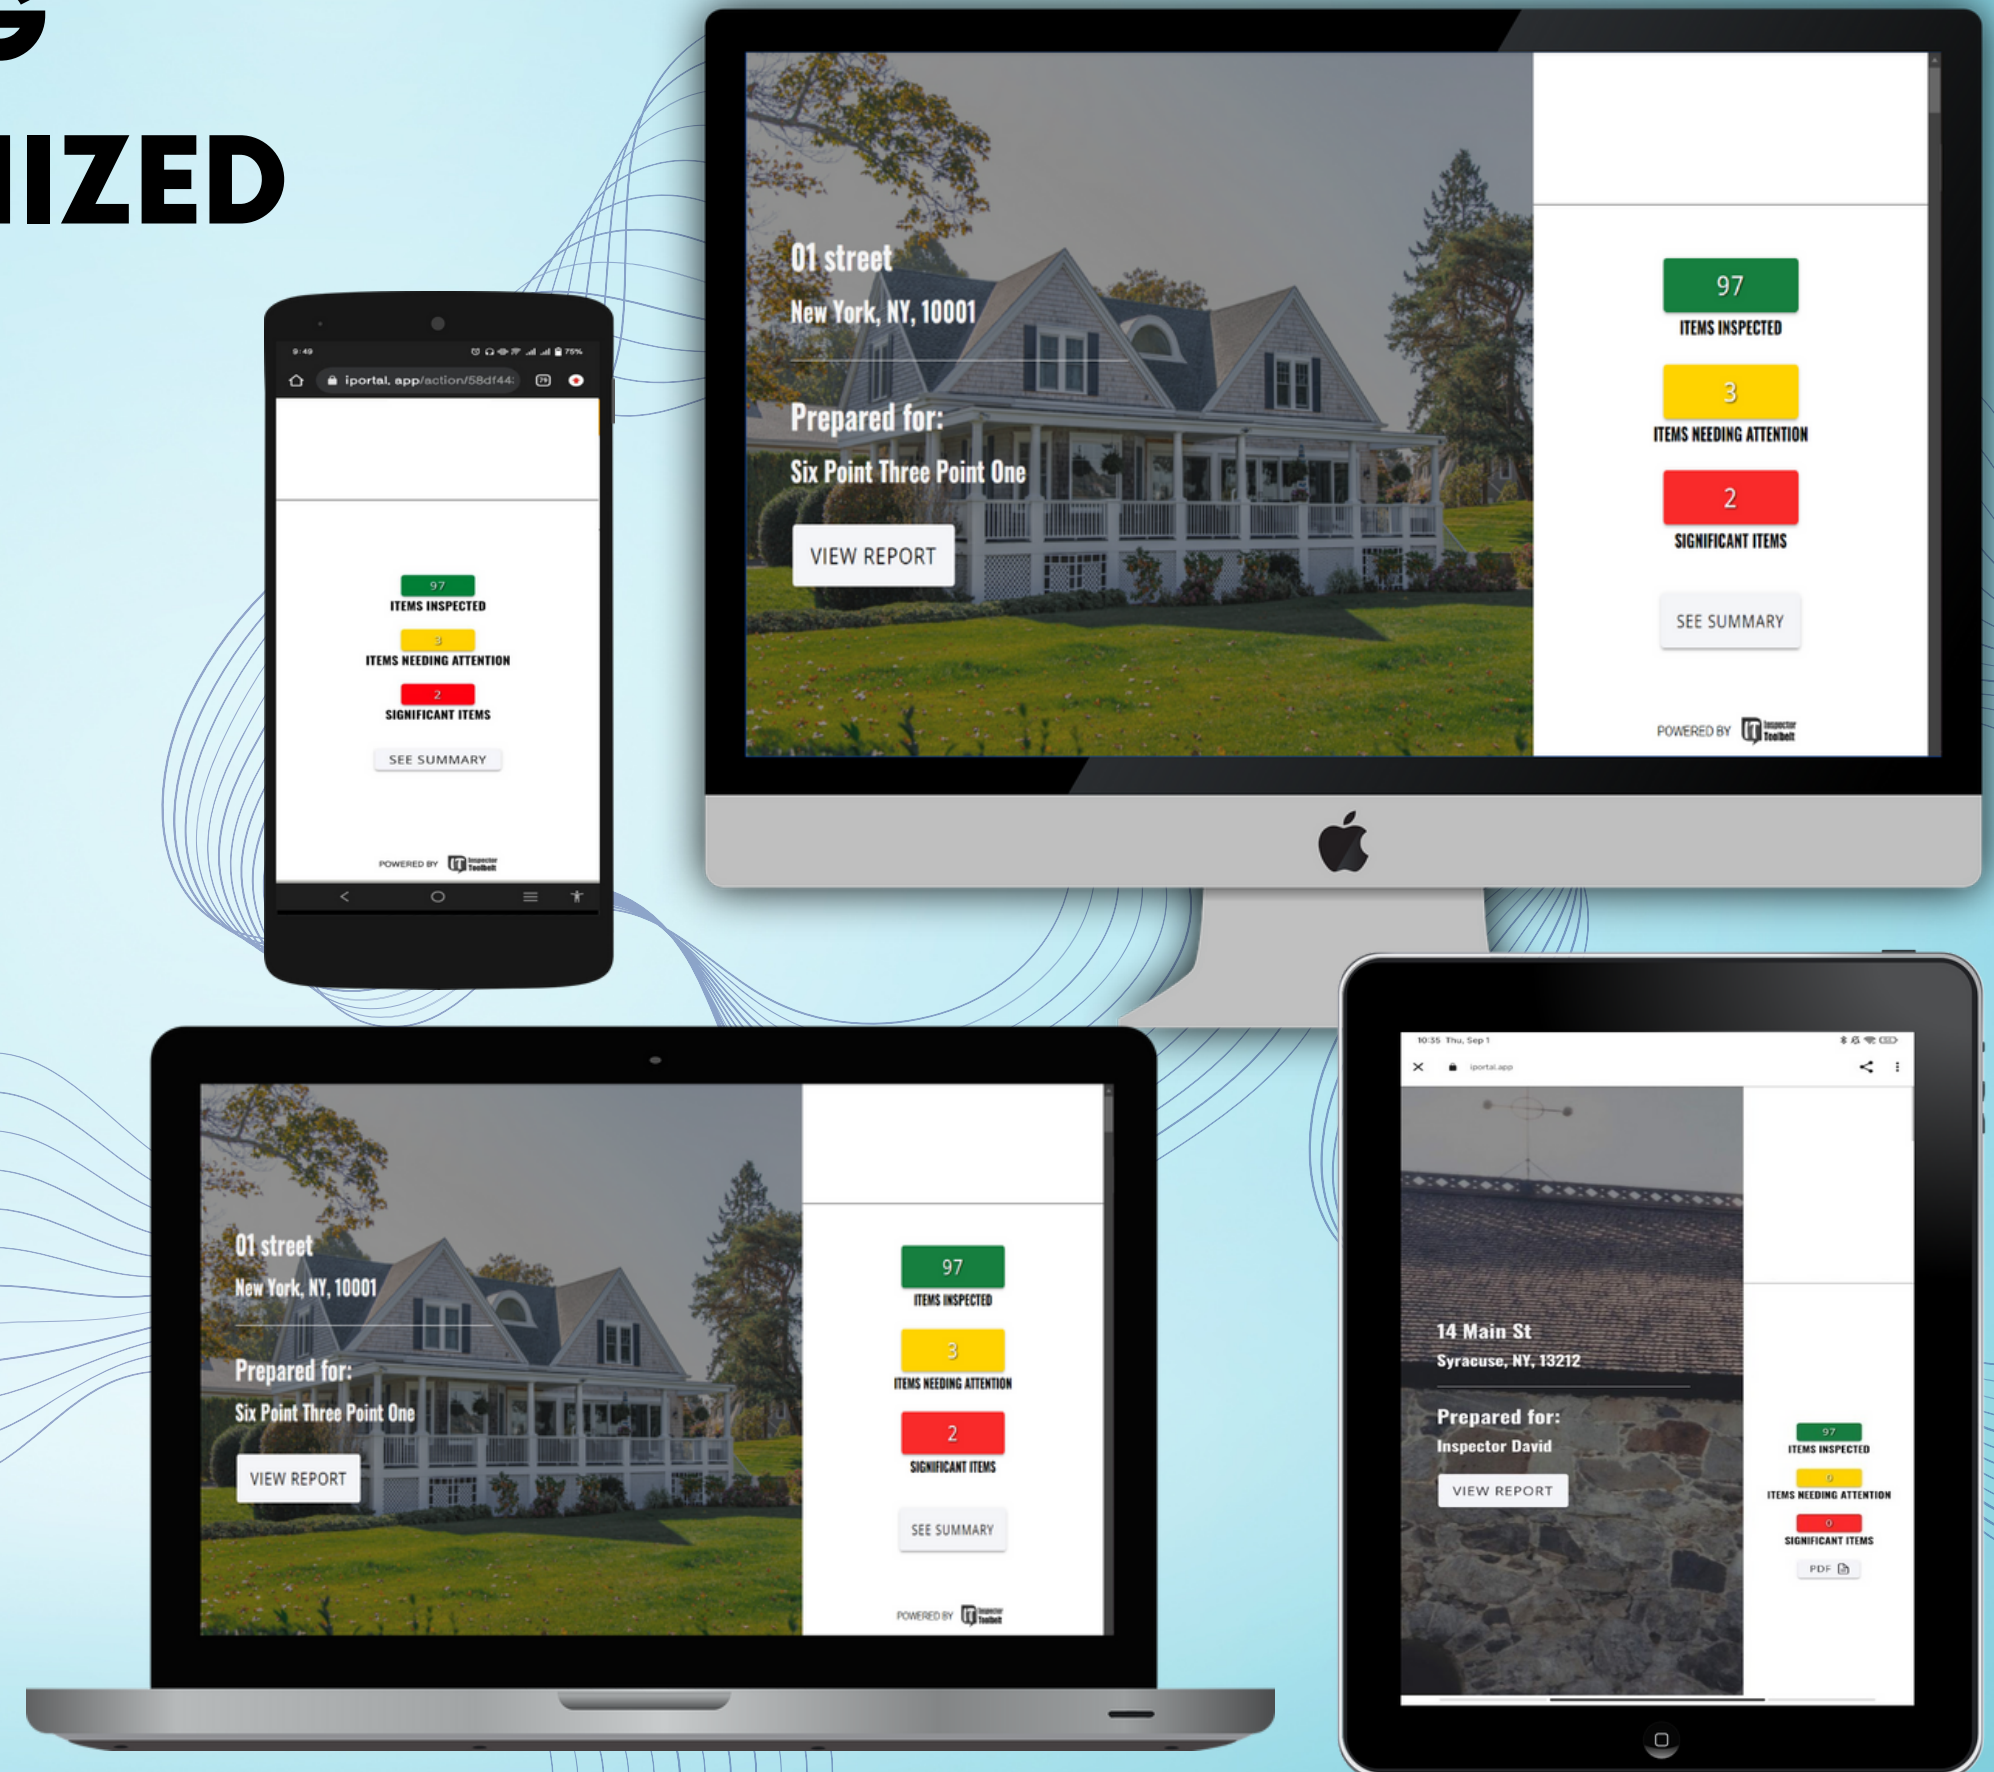

You can go to the report summary by just clicking on the "See Summary" button.

The total ratings are shown on top of the report color-coded.

# OUR MODERN REPORTING SYSTEM IS MOBILE-OPTIMIZED

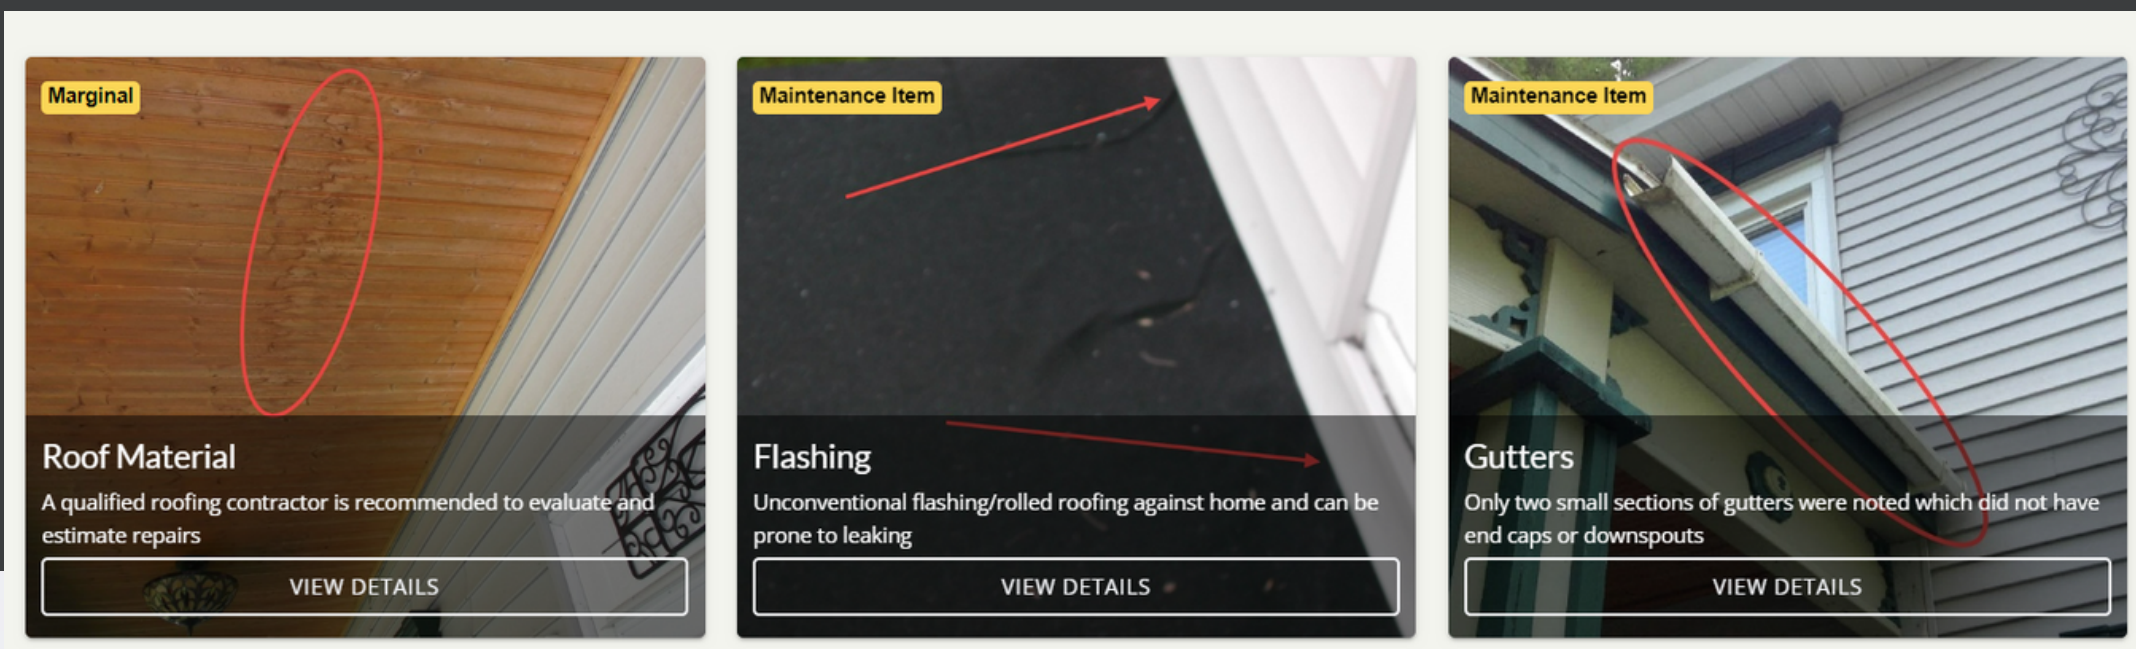

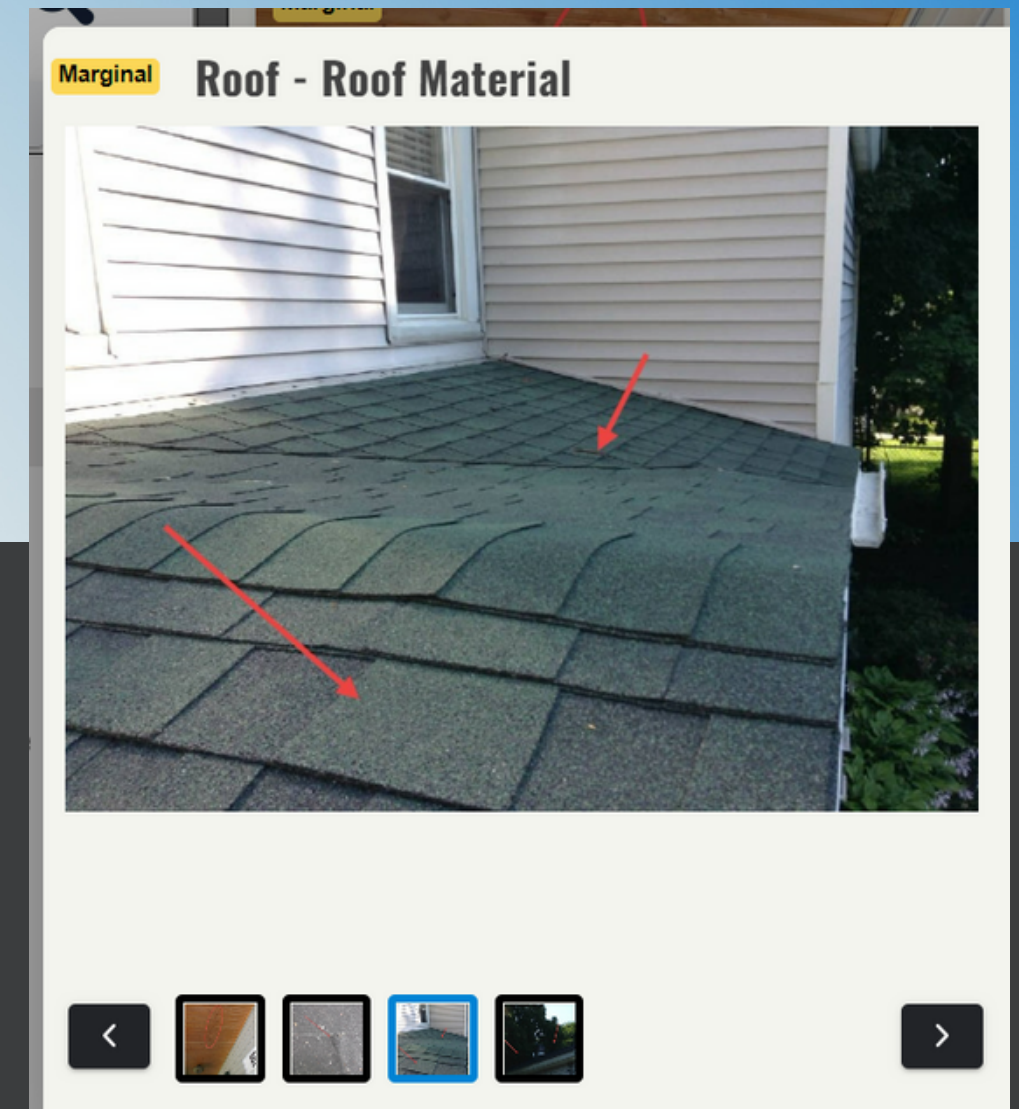

- Can easily be accessed on your phone, tablet, or desktop.
- Summary is easy to locate and understand.
- Conveniently see rating information.
- Generate a PDF in one click.

# PHOTOS WITH ANNOTATION

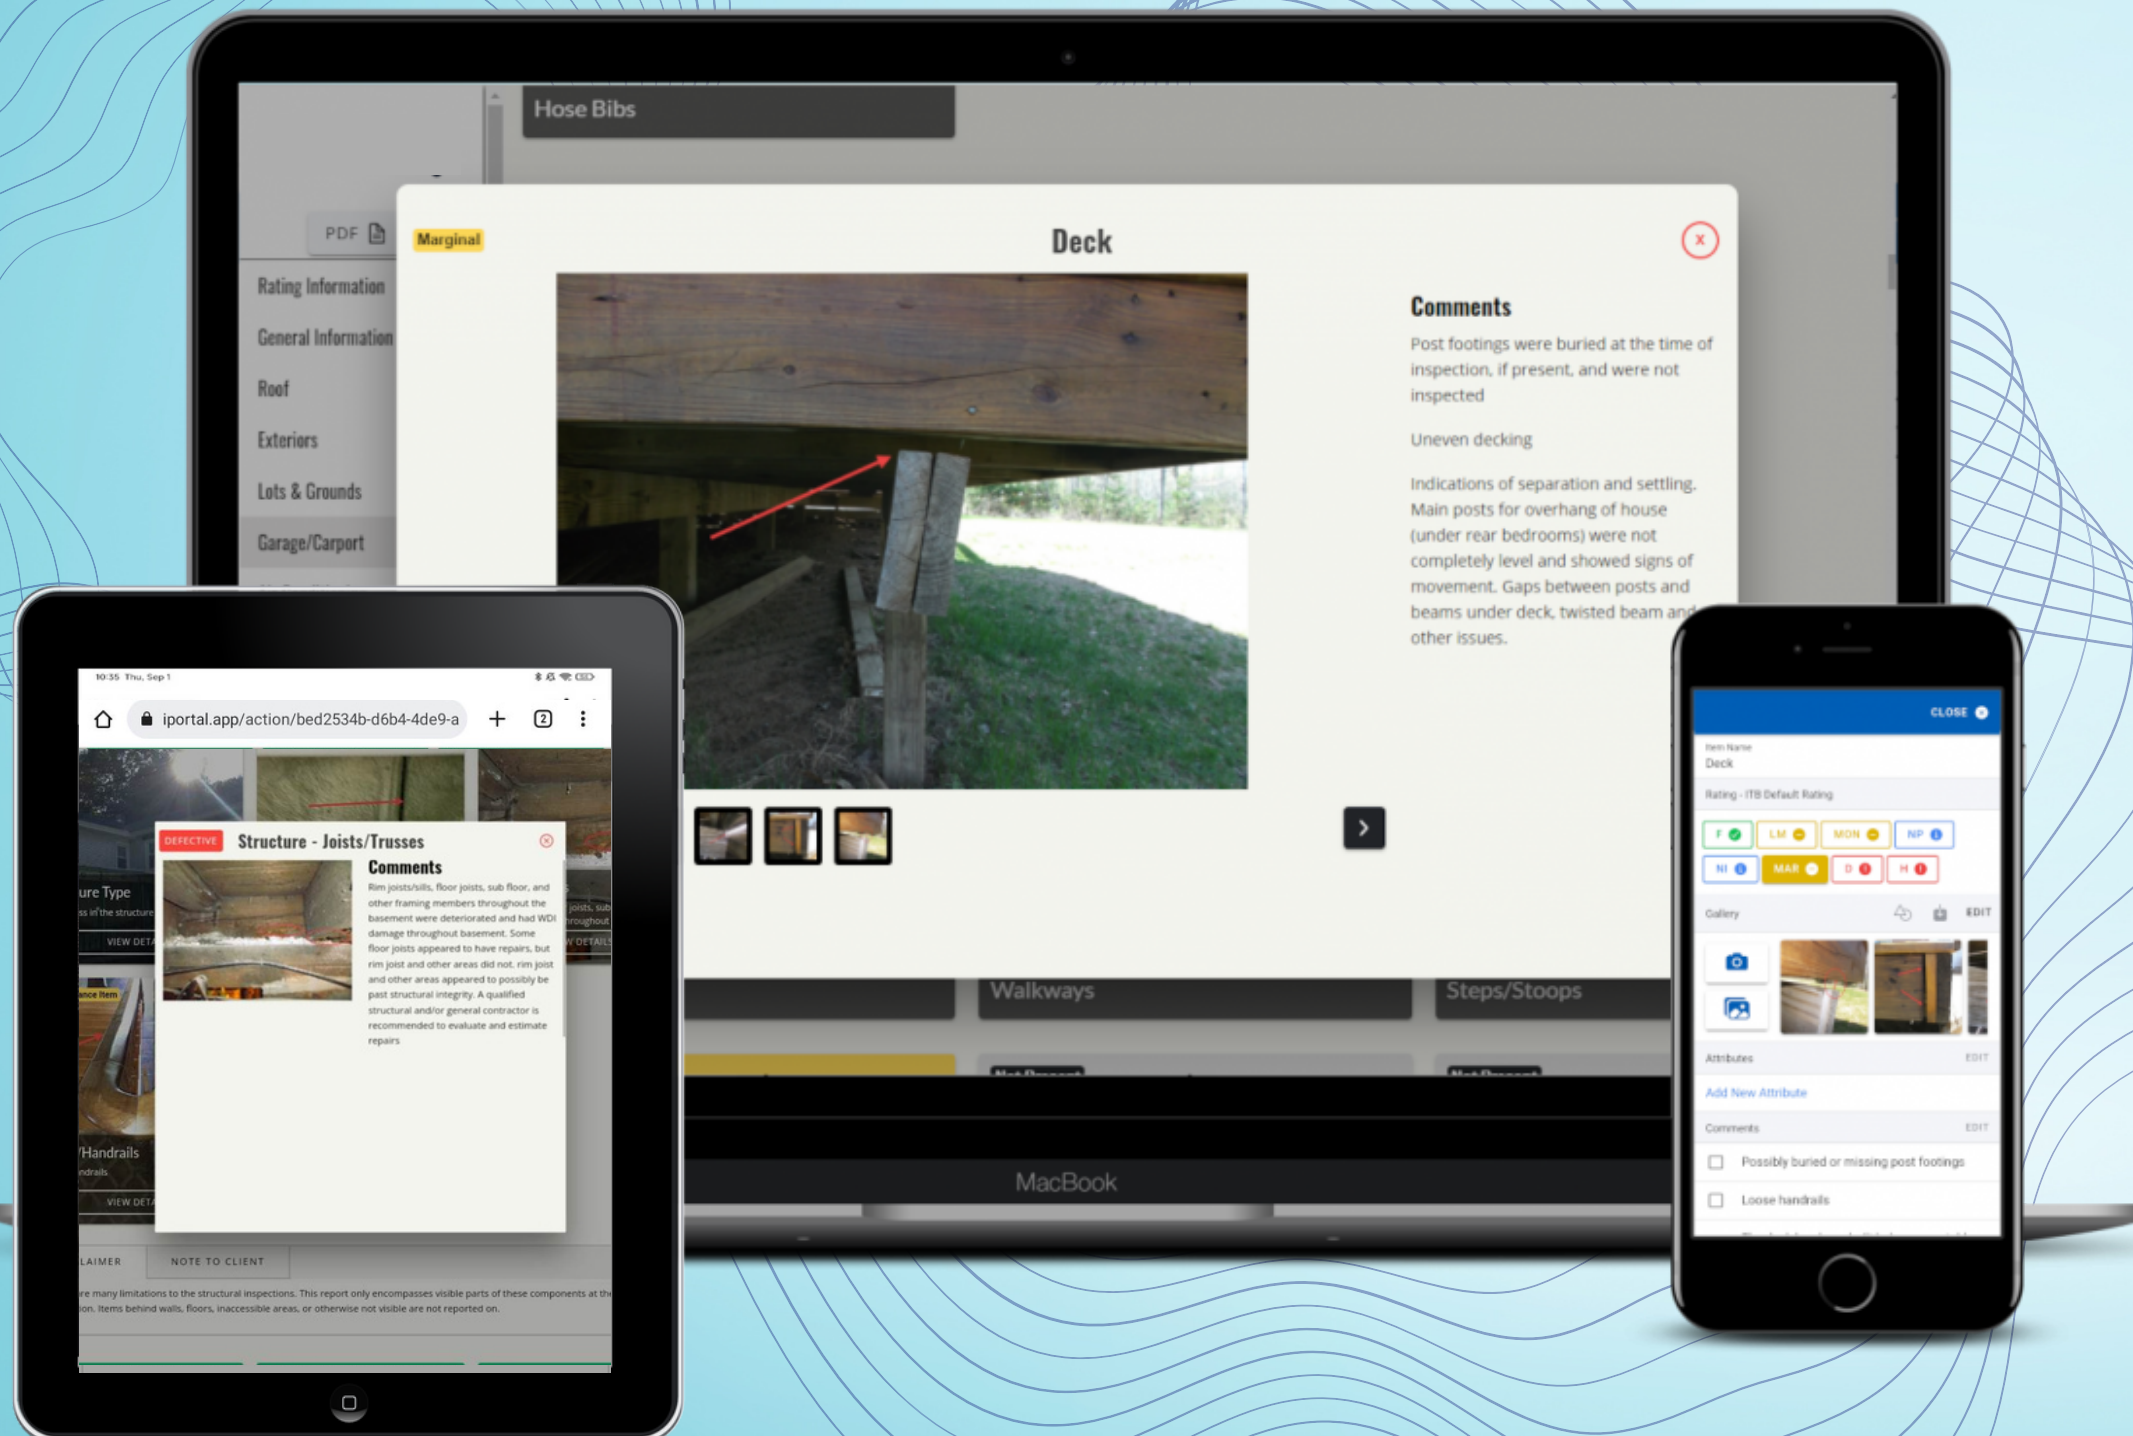

Photos taken during inspections are all added to the report for better understanding.

You can see annotations like arrows, circles, boxes, and texts added to images for details.

# EMPHASIS ON VISUAL FEATURES

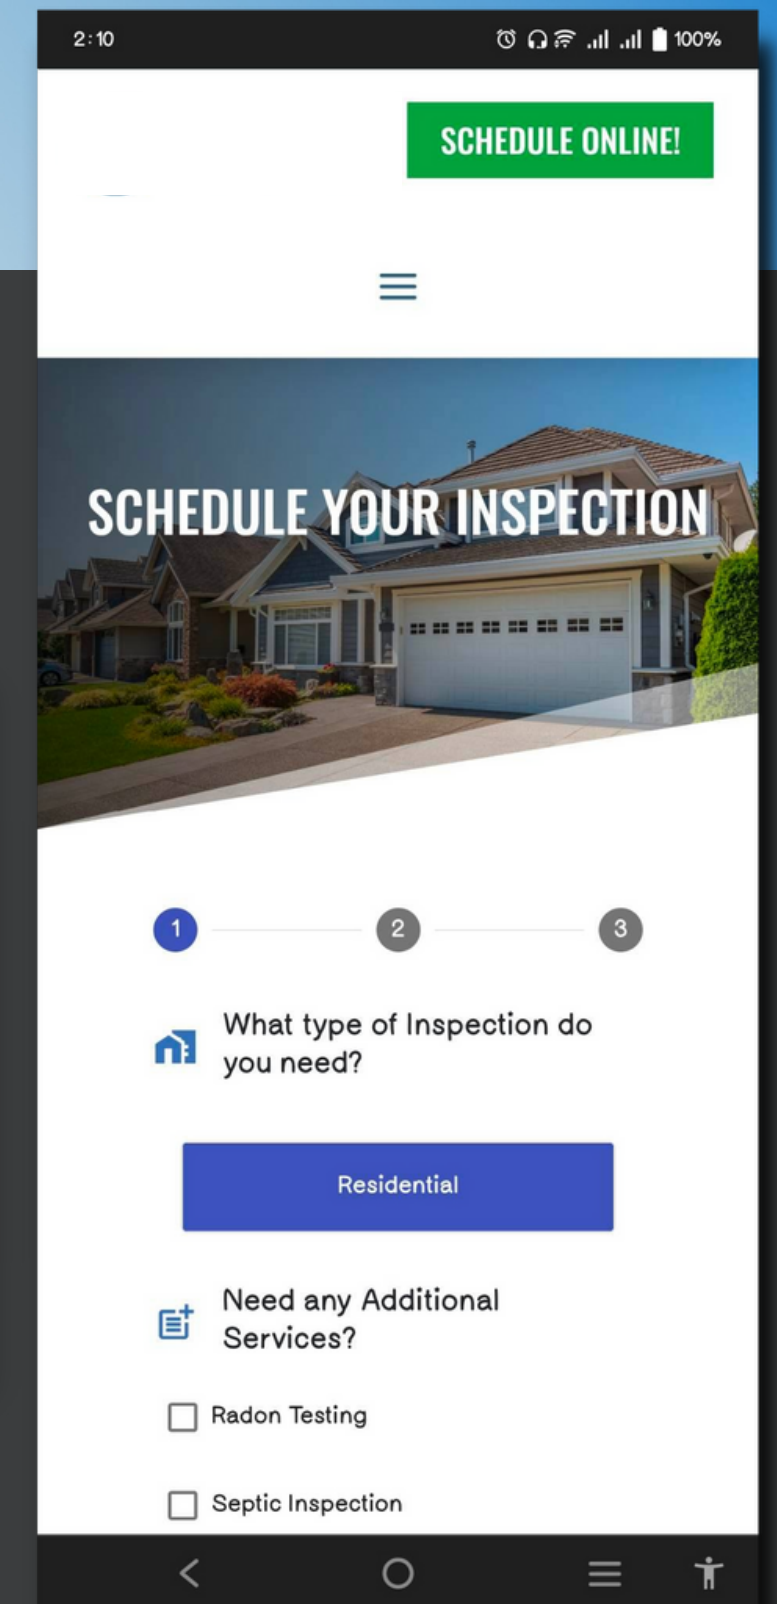

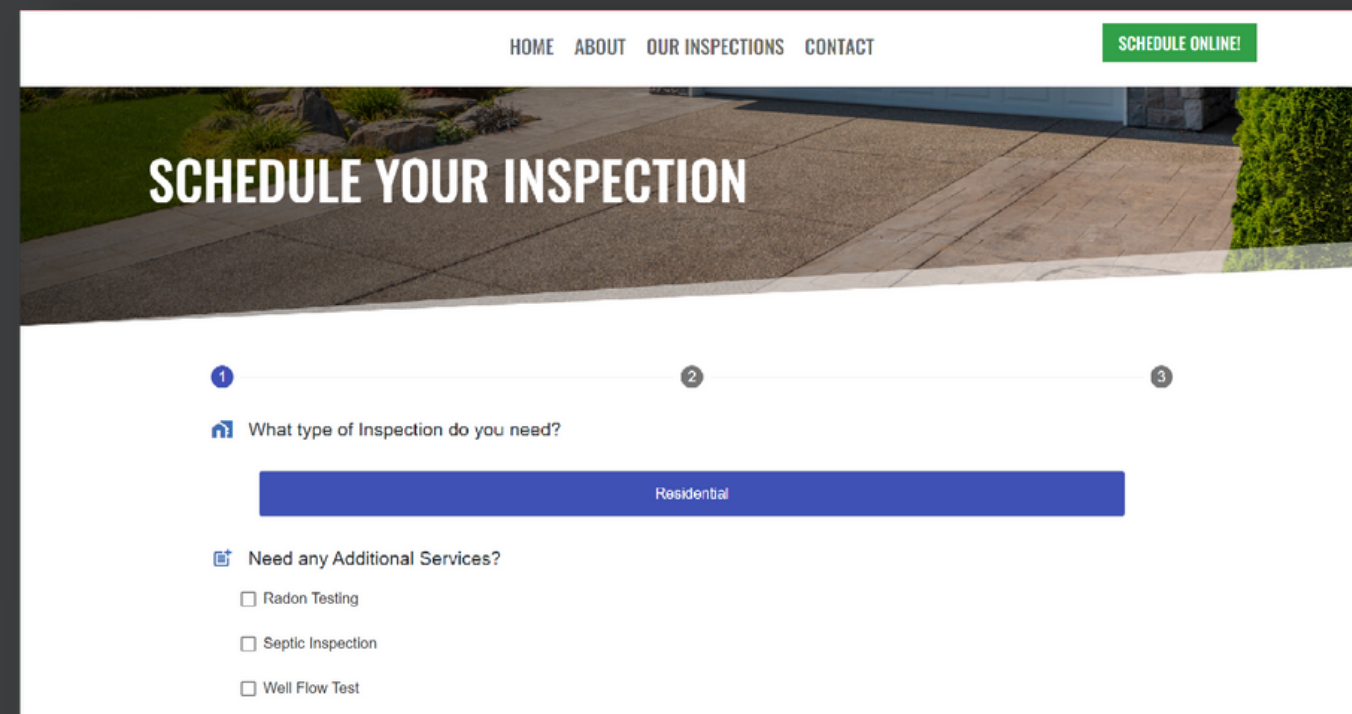

- Color-coding on inspected items.
- Comments can be added to support pictures taken during the inspection.
- User-friendly across platforms.

# CONVENIENT ONLINE SCHEDULING

The scheduling page is simple, easy to understand and user-friendly.

You can easily schedule your appointments online with just three easy steps.

# STEP 1
